

Health & Safety Guidelines For Armourcoat Surface Finishes

When mixing any of the dry powder products wear a respirator.

When using any of the Armourcoat products wear protective clothing and avoid contact with your skin whenever possible. If contact occurs wash immediately with soap and water. The use of a barrier cream is highly recommended.

Wear eye protection. If eye contact occurs irrigate eye with clean water and seek immediate medical attention.

White Wax

The White Wax is a solvent based product. Discard cloths by neutralizing the threat of spontaneous combustion by soaking the used cloths in water prior to disposal.

A bundle of cloths heavily impregnated with White Wax and solvent can under certain circumstances spontaneously combust within a matter of hours.
BEWARE!
